

Sue Quinlan

I have always loved drawing and painting. I am self-taught and have tried all sorts of mediums and different styles. A few of my favourite mediums are ink, watercolour and acrylic and on the odd occasion mixed media.

Up till now I have not exhibited any paintings but have done commissions and sold through people I meet and know in the Charity shop I run.

I recently joined ALP and am enjoying being around likeminded people. I exhibited for the first time at the Easter 2022 ALP exhibition.
